STOCKSBRIDGE PARK STEELS
PROGRAMME £1

BLUESCENE

Good evening ladies & gentlemen and welcome to the Tech5 Stadium for tonight's Sheffield and Hallamshire Senior Cup Quarter Final tie clash against Stocksbridge Park Steels. We welcome their players, officials and supporters and hope they enjoy their visit and have a safe journey home after the game. This is the third time the sides have met this season with the Blues taking the spoils in a 2-0 home win followed by a 1-1 draw in the return fixture at Bracken Moor in November. As usual there are plenty of familiar faces to the Blues fans in the visitors line up with Alex Callery and Mark Whitehouse likely to start. Blues skipper Stuart Ludlam was of course a member of the Stocksbridge side last season.

The Blues departed last years competition with a 3-0 home defeat at this stage against Sheffield. Tonight's visitors are the Cup holders, having defeated Parkgate in last year's final at Hillsborough.

After a gritty first half performance on Saturday we eventually went down 3-1 to

a strong Chester side who look set to win the league this year. Although the visitors second goal looked yards offside, in truth they fully deserved the win. Following tonight's game we have two very important fixtures against a couple of teams who are also fighting against relegation. First up are Mickleover who visit the Tech5 next Saturday 10th March in a re-arranged fixture. Victory over them would give us a 9 point gap with 8 games to play. The following Saturday we take the trip to Buxton who currently are 8 points behind the Blues but do have 4 games in hand.

Frickley under 16's will be playing their own Sheffield Cup semi final at the Tech5 on Sunday 11th March, kick off 2pm against Wickersley. Admission is free so please come along and support the lads.

Don't forget our successful under 19's will finish Pickering Town in the League Cup semi final on Monday 19th March, kick off 7.45pm

Enjoy the game
